

# LIFE MEMBERSHIP POLICY

## Introduction

This policy governs the awarding of Life Membership of the Society.

## Background

1. At the Annual General Meeting of the Society on 27 February 2013, a proposal was carried to upgrade all existing Society members as of 1 July 2013 to lifetime members. All of those qualifying members were emailed to inform them of this upgrade.
2. In accordance with the rules of the Society at that time, and the current rules, Life Members are treated as members and have the same rights as full members.

## Granting Life Membership

3. Granting Life Membership is in the gift of the Board of the Society for outstanding service to the Society. A simple majority of Board members in favour will result in the granting of Life Membership.
4. ***This Election Policy has been approved by the board of THST on 30 November 2020.***
